What we collect

Family administrators enter names, dates (birthdays, anniversaries, graduations, births, memorials), photos, email addresses and mobile numbers of family members. We also store account and billing details needed to run the subscription.

How we use it

We use this information only to show your family calendar and to send the greetings and reminders your family has set up by email and text message.

Text messaging

Texts are sent only to recipients who have directly opted in through our secure consent webpage. Message frequency varies based on your family's milestone calendar. Message and data rates may apply. Reply STOP to any message to opt out or HELP for help.

Mobile information will not be shared with third parties or affiliates for marketing or promotional purposes. All other categories exclude text messaging originator opt-in data and consent; this information will not be shared with any third parties.

Sharing

We never sell your data. We share it only with the service providers that deliver email, text messages and payments on our behalf, and only as needed to provide the service.

Your choices

Administrators can edit or delete any family member at any time. To request deletion of your account, contact us.
